

Appropriate Use Policies for CSCE 629 Course Materials

The following is an understanding/agreement for signature of acceptable and/or restricted use of course material, tools, techniques, malicious code, and exploits discussed in CSCE 629. By providing your signature you agree to abide by the following rules/statements set forth for CSCE 629.

1. Material presented in class is for information/learning use only. Material presented does not necessarily represent the views and/or policies of the U.S. Air Force.
2. Any tools, techniques, malicious code, and/or exploits presented in class shall only be used within the conduct of CSCE 629.
3. Any tools, techniques, malicious code, and/or exploits presented in class shall only be used within the CDN lab located in rooms 204, 206 and 208 of building 642.
4. Under no circumstances, shall any of the class material, tools, techniques, malicious code, and/or exploits presented in class be shared with individuals and/or groups not enrolled in CSCE 629.
5. Under no circumstances, shall any of the class material, tools, techniques, malicious code, and/or exploits presented in class be used on the Internet and/or against Internet users.
6. Under no circumstances, shall any of the class material, tools, techniques, malicious code, and/or exploits presented in class be stored or used on the AFIT network and/or against AFIT users. You may not store any tool on an AFIT **EDU** computer.

Failure to comply with the above can result in failing grade and removal from CSCE 629, possible removal from AFIT, and possible punitive actions.

I have read the above, and am willing/able to comply with the CSCE 629 course material usage and restrictions.
